Dear John:

Thank you for your July 30, 1992 letter regarding these cases and the possibility of voluntary amendment. I am in general agreement with your approach and look forward to receiving your proposed claims.

Please note that just this week I have, at long last, heard from the U.S. Examiner in PM-1315. The application as it previously stood should now issue, except that the limitations of claim 35 have been incorporated into claim 34, and accordingly claim 35 has been canceled and the dependencies of claims 36-40 adjusted. Previous claim 34 was viewed by the Patent and Trademark Office as anticipated by Reynolds' EP 0 174 645, and we acquiesced in a case of switching rather than fighting.

Very truly yours,
